- Ms. Shannon Garvin, Math at Golden High School, 2015 Recipient

Enrichment Grants - \$16,000

- Golden HS to purchase a high-capacity Astronomy telescope
- Bell MS for professional training on Problem Based Learning
- Kyffin ES for Lego Mindstorm Kits and a laptop for Robotics
- Mitchell ES for Imagination playground equipment
- Pleasant View ES for 4 iPads for students with learning disabilities
- Ralston ES for LabQuest 2 packages and a dedicated computer
- Shelton ES for LabQuest 2 packages
- Welchester ES to fund 4 student scholarships to Outdoor Lab week

Teaching Excellence - \$8,000

Launched in 2015 for each school to support Release Time for teachers in order for them to participate in professional development and/or job training, and peer collaboration sessions.

Summer Academic Boot Camp Series - \$2,500

The Student Academic Summer Boot Camps are a series of free supplemental education programs that plan to provide academic exposure and reinforcement to our Golden students, and encourage a successful academic experience from start to finish.

In 2015 we launched the first with our 7th Grade Summer Science Boot Camp for incoming 7th graders at Bell MS. In 2016, we plan to offer our High School Boot Camp with academic support for Math, English and the AP/Honors programs.
